Tele #: (b)(6) privacy [conference call code] (b)(6) privacy [conference call code]

Final Agenda

Roll Call & Announcements

PEER FOIA

Status update on phase II of the FOIA.

Smelters

Status update. See attachments.

Any new inquiries since Nov. 27 call

Superfund Remedial Sustainability Effort

Brief overview.

Status update on establishing a workgroup to address ASTSWMO's recommendations for streamlining the site assessment process.

We plan to briefly mention how this can fit within the larger Superfund Remedial Sustainability Effort.

FFRRO e-Docket Project

Project overview - Ellen Treimel (FFRRO). See attachment.

Other - as time permits
